

American Red Cross on Long Island

Shelter Service Associates and Shelter Supervisors

Be ready to help your local community! Due to predictions for an active hurricane season and the complexities of COVID-19, the Red Cross will need thousands of volunteers to care for people when disasters strike. Train now to be a Ready Red Cross Shelter Volunteer so you can answer the call when your community needs it most!

We will need volunteers, with a valid driver's license to help support emergency shelters by staffing different areas including reception, registration, feeding, dormitory, information collection and other vital tasks. We have both associate and supervisory level opportunities available.

Will you be ready to roll up your sleeves and help?
