

HELP FIND A VACCINE FOR COVID-19!

NYU Langone's Vaccine Center is seeking adult volunteers who are interested in taking part in upcoming COVID-19 vaccine trials.

You may be eligible if you are:

- ✓ 18 years of age or older
- ✓ willing to receive an investigational COVID-19 vaccine or a placebo control injection?
- ✓ willing to have your blood drawn at multiple visits?
- ✓ willing to travel to NYU Langone and affiliate research sites in Manhattan, Brooklyn, or Long Island?
- ✓ at increased risk of getting COVID-19 disease?

If you participate in one of our COVID-19 prevention studies, you will be compensated for your time. You **CANNOT** get infected with SARS-CoV-2 or get COVID-19 illness from the study vaccine.
